Cooinda Cat Resort is a unique holiday destination for cats of all ages, breeds, sizes and temperaments. With over 20 years of experience caring for cats, we understand that not all cats are alike and have developed a resort unlike any other in Australia. We are proud to have created a relaxing, safe, secure and loving environment for our feline guests.

### AT COOINDA CAT RESORT WE PROVIDE:

- Cat only resort on five tranquil acres.
- Three levels of accommodation, Premium, Executive and Platinum.
- All accommodation types are full walk-in sized rooms with secure outdoor exercise yards.
- Family Apartments/Suites/Villas are available with all three types of accommodation.
- Each guest's room is cleaned daily with vet approved cleaning products and fresh litter.
- Detailed and accurate record keeping of your cats stay with us.
- An extensive range of premium dry and wet foods, including fresh meats, kangaroo mince, tuna, and slow cooked chicken.
- A team of highly skilled and passionate Kitty Carers – providing lots of love and attention to our kitty guests.
- Basic medication administration available
- We cater for our senior guests with special apartments (golden oldies). These rooms have lower shelves, bigger spaces, access to an outside yard and quiet areas.
- Kitty Kab pickup and delivery service available at extra cost to all suburbs. (excluding Wednesdays and Sundays)
- Vet access available at owners expense – If after hours we use AEC Emergency Vet or Peninsula Vet Emergency & Referral Hospital.

### BOARDING REQUIREMENTS:

All cats must arrive at the resort in a secure carry cage.

### VACCINATION:

As per the Victorian Boarding Code, all cats are required to have a current F3,F4 or F5 yearly vaccination, up to date before checking in. It is recommended that your cat is vaccinated two weeks prior to arrival. We require the vaccination certificate to be emailed or presented on the day of arrival.

### MEDICATION & HEALTH ISSUES:

Should your cat need basic medication while with us, we can administer that for you – please notify us by phone or email when booking, or prior to your cats' arrival. Cooinda has Vet access when required. This is at the owner's expense – If after hours we use AEC Emergency Vet or Peninsula Vet Emergency & Referral Hospital. All cats should be up to date with their flea medication prior to arrival. If your cat shows signs of having fleas during their stay, a flea treatment will be administered at the owner's expense.

### DIET

While we provide an extensive menu at Cooinda, we do ask that you supply any prescription diets or specialised foods. Cooinda has an extensive range of premium dry and wet foods, including fresh meats, kangaroo mince, tuna, and slow cooked chicken. If you have any questions, please don't hesitate to ask.

### BOARDING COSTS

The cost of accommodation varies depending on what type of accommodation you choose and the number of guests. We have peak and off-peak rates, depending on what time of the year you book in. All guests are charged per calendar day. This means you pay for the day of arrival, day of departure and all the days in between. All rates include food. Rates don't include Kitty Kab, vet costs, flea treatment or heating mats and lamps.
